

Patient Feedback Form:

NAME: Mrs Tina Dilworth.

1- What do you think about Eugene Gamble?

Eugene has made a very nerve wracking experience so bearable! He took the time to explain every step of the process in layman's terms!

2- What do you think about the service/treatment you've received?

Fantastic service (treatment) from everyone at the practice. I have, despite my nerves been made to feel at ease and comfortable during every visit.

3- What do you think the treatment did or will do for you?

Hopefully eradicate my gum disease!! It has definitely made me more aware of what I need to do each day to try and prevent the issues returning.

4- Is there anything you would suggest to improve the experience?

Nothing I can think of!!  
Thanks and good luck for the future!
